

## Kadant Authorizes Share Repurchase

May 16, 2018

WESTFORD, Mass., May 16, 2018 (GLOBE NEWSWIRE) -- Kadant Inc. (NYSE:KAI) announced today that its Board of Directors has authorized the repurchase of up to \$20 million of its equity securities effective May 16, 2018 through May 16, 2019. Repurchases may be made in public or private transactions, including under Securities Exchange Act Rule 10b-5-1 trading plans. The timing and amount of any repurchases will be at the discretion of Company management and will be based on market conditions and other considerations, including limitations contained in our credit agreement entered into on March 1, 2017. Through May 16, 2018, under the existing \$20 million authorization that will expire on May 17, 2018, the Company has not repurchased any shares of its common stock.

The following constitutes a "Safe Harbor" statement under the Private Securities Litigation Reform Act of 1995: This press release contains forward-looking statements that involve a number of risks and uncertainties, including forward-looking statements regarding any plans to repurchase our equity securities. These forward-looking statements represent our expectations as of the date of this press release. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events, or otherwise. These forward-looking statements are subject to known and unknown risks and uncertainties that may cause our actual results to differ materially from these forward-looking statements as a result of various important factors, including those set forth under the heading "Risk Factors" in Kadant's annual report on Form 10-K for the year ended December 30, 2017 and subsequent filings with the Securities and Exchange Commission. These include risks and uncertainties relating to adverse changes in global and local economic conditions; the variability and difficulty in accurately predicting revenues from large capital equipment and systems projects; our customers' ability to obtain financing for capital equipment projects; the variability and uncertainties in sales of capital equipment in China; international sales and operations; the oriented strand board market and levels of residential construction activity; development and use of digital media; currency fluctuations; price increases or shortages of raw materials; dependence on certain suppliers; our acquisition strategy; failure of our information systems or breaches of data security; changes in government regulations and policies and compliance with laws; our internal growth strategy; competition; soundness of suppliers and customers; changes in our tax provision or exposure to additional tax liabilities; our ability to successfully manage our manufacturing operations; disruption in production; future restructurings; economic conditions and regulatory changes caused by the United Kingdom's likely exit from the European Union; our debt obligations; restrictions in our credit agreement; loss of key personnel; protection of patents and proprietary rights; fluctuations in our share price; soundness of financial institutions; environmental laws and regulations; anti-takeover provisions; and reliance on third-party research.
