

## Kadant Declares Cash Dividend

November 21, 2019

WESTFORD, Mass., Nov. 21, 2019 (GLOBE NEWSWIRE) -- Kadant Inc. (NYSE: KAI) announced today that its Board of Directors has approved a quarterly cash dividend to stockholders of \$0.23 per share to be paid on February 6, 2020 to stockholders of record as of the close of business on January 9, 2020. Future declarations of dividends are subject to Board approval and may be adjusted as business needs or market conditions change.

Kadant Inc. is a global supplier of high-value, critical components and engineered systems used in process industries worldwide. Our products, technologies, and services play an integral role in enhancing process efficiency, optimizing energy utilization, and maximizing productivity in resource-intensive industries. Kadant is based in Westford, Massachusetts, with approximately 2,800 employees in 20 countries worldwide. For more information, visit [www.kadant.com](http://www.kadant.com).

The following constitutes a "Safe Harbor" statement under the Private Securities Litigation Reform Act of 1995: This press release contains forward-looking statements that involve a number of risks and uncertainties, including forward-looking statements about our business, financial performance and cash dividend program. These forward-looking statements represent our expectations as of the date of this press release. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events, or otherwise. These forward-looking statements are subject to known and unknown risks and uncertainties that may cause our actual results to differ materially from these forward-looking statements as a result of various important factors, including those set forth under the heading "Risk Factors" in Kadant's annual report on Form 10-K for the year ended December 29, 2018 and subsequent filings with the Securities and Exchange Commission. These include risks and uncertainties relating to adverse changes in global and local economic conditions; the variability and difficulty in accurately predicting revenues from large capital equipment and systems projects; our customers' ability to obtain financing for capital equipment projects; international sales and operations; the variability and uncertainties in sales of capital equipment in China; the oriented strand board market and levels of residential construction activity; development and use of digital media; currency fluctuations; cyclical economic conditions affecting the global mining industry and the continued demand for coal; price increases or shortages of raw materials; dependence on certain suppliers; our acquisition strategy; failure of our information systems or breaches of data security and cybertheft; changes in government regulations and policies and compliance with laws; our internal growth strategy; competition; soundness of suppliers and customers; changes in our tax provision or exposure to additional tax liabilities; our ability to successfully manage our manufacturing operations; disruption in production; future restructurings; economic conditions and regulatory changes caused by the United Kingdom's exit from the European Union; our debt obligations; restrictions in our credit agreement and note purchase agreement; loss of key personnel and effective succession planning; protection of intellectual property; fluctuations in our share price; soundness of financial institutions; environmental laws and regulations; climate change; environmental, health and safety laws and regulations; adequacy of our insurance coverage; anti-takeover provisions; and reliance on third-party research.
