

Kadant Releases Corporate Sustainability Report

March 6, 2020

WESTFORD, Mass., March 06, 2020 (GLOBE NEWSWIRE) -- Kadant Inc. (NYSE: KAI) today released its 2019 corporate sustainability report, which can be viewed at www.kadant.com/sustainability. The report highlights the Company's commitment and progress on environmental, social, and governance (ESG) initiatives.

"I am proud to share the story behind our ongoing work in support of environmental sustainability, social responsibility, and transparent governance in our inaugural sustainability report," said Jeffrey L. Powell, president and chief executive officer. "Sustainability is central to who we are as a company, and our focus on facilitating the productive and efficient use of renewable resources and materials is core to our culture."

The report is structured according to Global Reporting Initiative (GRI) best practices for corporate sustainability reporting and addresses those factors most relevant to the Company's stakeholders. It includes detailed information on Kadant's employee development and community programs, key metrics on environmental impact, and the Company's commitment to helping its customers achieve their sustainability goals.

About Kadant

Kadant Inc. is a global supplier of high-value, critical components and engineered systems used in process industries worldwide. The Company's products, technologies, and services play an integral role in enhancing process efficiency, optimizing energy utilization, and maximizing productivity in resource-intensive industries. Kadant is based in Westford, Massachusetts, with approximately 2,800 employees in 20 countries worldwide. For more information, visit www.kadant.com.

Safe Harbor Statement

The following constitutes a "Safe Harbor" statement under the Private Securities Litigation Reform Act of 1995: This press release contains forward-looking statements that involve a number of risks and uncertainties, including forward-looking statements about our customers, products, technologies, and markets. These forward-looking statements represent our expectations as of the date of this press release. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events, or otherwise. These forward-looking statements are subject to known and unknown risks and uncertainties that may cause our actual results to differ materially from these forward-looking statements as a result of various important factors, including those set forth under the heading "Risk Factors" in Kadant's annual report on Form 10-K for the year ended December 28, 2019 and subsequent filings with the Securities and Exchange Commission. These include risks and uncertainties relating to adverse changes in global and local economic conditions; the variability and difficulty in accurately predicting revenues from large capital equipment and systems projects; our customers' ability to obtain financing for capital equipment projects; international sales and operations; health epidemics; changes to government regulations and policies around the world; policies of the Chinese government; the variability and uncertainties in sales of capital equipment in China; levels of residential construction activity; reductions by our wood processing customers of their capital spending or production of oriented strand board; changes to the global timber supply; cyclical economic conditions affecting the global mining industry; development and use of digital media; currency fluctuations; demand for coal, including economic and environmental risks associated with coal; price increases or shortages of raw materials; dependence on certain suppliers; our acquisition strategy; failure of our information systems or breaches of data security and cybertheft; compliance with government regulations and policies and compliance with laws; implementation of our internal growth strategy; competition; soundness of suppliers and customers; changes in our tax provision or exposure to additional tax liabilities; our ability to successfully manage our manufacturing operations; disruption in production; future restructurings; economic conditions and regulatory changes caused by the United Kingdom's exit from the European Union; our debt obligations; restrictions in our credit agreement and note purchase agreement; substitution of an alternative index for LIBOR; loss of key personnel and effective succession planning; protection of intellectual property; fluctuations in our share price; soundness of financial institutions; environmental laws and regulations; climate change; environmental, health and safety laws and regulations; adequacy of our insurance coverage; anti-takeover provisions; and reliance on third-party research.
