

Kadant Authorizes Share Repurchase

July 28, 2014

WESTFORD, Mass.--(BUSINESS WIRE)--Jul. 28, 2014-- Kadant Inc. (NYSE:KAI) announced today that its board of directors has authorized the repurchase of up to an additional \$20 million of its equity securities effective July 28, 2014 through July 28, 2015. Repurchases may be made in public or private transactions, including under Securities Exchange Act Rule 10b-5-1 trading plans. The timing and amount of any repurchases will be at the discretion of Company management and will be based on market conditions and other considerations, including limitations contained in our credit agreement entered into on August 3, 2012. Through July 28, 2014, under the existing \$20 million authorization that will expire on November 8, 2014, the Company has repurchased 355,135 shares of its common stock for an aggregate purchase price of approximately \$13.1 million, or \$36.99 per share, leaving \$6.9 million remaining on this authorization.

Kadant Inc. is a global supplier of high-value, critical components and engineered systems used in process industries worldwide. The Company's products, technologies, and services play an integral role in enhancing process efficiency, optimizing energy utilization, and maximizing productivity in resource-intensive industries. Kadant is based in Westford, Massachusetts, with revenue of \$344 million in 2013 and 1,800 employees in 18 countries worldwide. For more information, visit www.kadant.com.

The following constitutes a "Safe Harbor" statement under the Private Securities Litigation Reform Act of 1995: This press release contains forward-looking statements that involve a number of risks and uncertainties, including forward-looking statements about our expected future financial and operating performance, demand for our products, and economic and industry outlook. Our actual results may differ materially from these forward-looking statements as a result of various important factors, including those set forth under the heading "Risk Factors" in Kadant's quarterly report on Form 10-Q for the period ended March 29, 2014. These include risks and uncertainties relating to our dependence on process industries; significance of sales and operation of manufacturing facilities in China; oriented strand board market and levels of residential construction activity; commodity and component price increases or shortages; dependence on certain suppliers; international sales and operations; our acquisition strategy; our internal growth strategy; fluctuations in currency exchange rates; competition; soundness of suppliers and customers; our effective tax rate; future restructurings; soundness of financial institutions; our debt obligations; restrictions in our credit agreement; reliance on third-party research; protection of patents and proprietary rights; failure of our information systems or breaches of data security; fluctuations in our share price; and anti-takeover provisions. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events, or otherwise.
